IMPORTANT NOTICES AND EXPLANATION OF CATALOGUING PRACTICE

IMPORTANT NOTICES

CHRISTIE'S INTEREST IN PROPERTY CONSIGNED FOR AUCTION

From time to time, Christie's may offer a lot which it owns in whole or in part. Such property is identified in the catalogue with the symbol Δ next to its lot number.

On occasion, Christie's has a direct financial interest in lots consigned for sale which may include guaranteeing a minimum price or making an advance to the consignor that is secured solely by consigned property. Such property is identified in the catalogue by the symbol \circ next to the lot number. This symbol will be used both in cases where Christie's holds the financial interest on its own, and in cases where Christie's has financed all or a part of such interest through a third party. Such third parties generally benefit financially if a guaranteed lot is sold successfully and may incur a loss if the sale is not successful. The financing offered by a third party may be in the form of an irrevocable bid provided by that third party. Where Christie's has an ownership or financial interest in every lot in the catalogue, Christie's will not designate each lot with a symbol, but will state its interest at the front of the catalogue.

ALL DIMENSIONS ARE APPROXIMATE CONDITION

Christie's catalogues include references to condition only in descriptions of multiple works (such as prints, books and wine). For all other property, only alterations or replacement components are listed. Please contact the Specialist Department for a condition report on a particular lot. The nature of the lots sold in our auctions is such that they will rarely be in perfect condition, and are likely, due to their nature and age, to show signs of wear and tear, damage, other imperfections, restoration or repair. Any reference to condition in a catalogue entry will not amount to a full description of condition. Condition reports are usually available on request, and will supplement the catalogue description. In describing lots, our staff assess the condition in a manner appropriate to the estimated value of the item and the nature of the auction in which it is included. Any statement as to the physical nature or condition of a lot, in a catalogue, condition report or otherwise, is given honestly and with appropriate care. However, Christie's staff are not professional restorers or trained conservators and accordingly any such statement will not be exhaustive. We therefore recommend that you always view property personally, and, particularly in the case of any items of significant value, that you instruct your own restorer or other professional adviser to report to you in advance of bidding.

PROPERTY INCORPORATING MATERIALS FROM ENDANGERED SPECIES

An export licence issued by the Department of the Environment will be required for the export of any item made of or incorporating (irrespective of percentage) animal material such as ivory, whalebone, tortoiseshell, rhinoceros horn, Rosewood and Lignum Vitae etc., and this may take up to eight weeks to obtain. Clients are advised to check with the regulating body in the country of importation regarding any possible restrictions on the importation of items within this category – some countries have an absolute ban on the importation of certain materials. For example, the U.S. generally prohibits the importation of articles containing species that it has designated as endangered or threatened if those articles are less than 100 years of age.

BIDDING

Bidding will be at duty-paid prices at per lot, or as otherwise stated.

OPTIONS TO BUY PARCELS

A parcel consists of several lots of the same wine of identical lot size, bottle size and description. Bidding will start on the first lot of the parcel and the successful buyer of that lot is entitled to take some or all of the remaining lots in the parcel at the same hammer price.

If the buyer of the first lot does not take further lots, the remaining lots of the parcel will be offered in a similar fashion.

We recommend that a bid on a parcel lot be placed on the first lot of the parcel. If the bid is superseded, Christie's will automatically move your bid to the next identical lot and so on.

In all instances, such bids will be handled at the auctioneer's discretion.

WINES AVAILABLE IN BOND

Overseas and trade buyers wishing to take wine in bond may do so if the wine is so available and instructions are given at the time of the sale. Bidding will also be at duty-paid prices but duty will be deducted from the invoice. The buyer will be responsible for any in bond transfers, deliveries or clearances.

WINES SOLD IN BOND ONLY

Bonded transfer certificates will be issued upon payment. United Kingdom purchasers will be responsible for duty, clearance, delivery and any other charges applicable from the date of sale.

DELIVERIES

(DUTY-PAID ONLY, U.K. MAINLAND)

The carriage charge for all deliveries lying in cellars within the U.K. mainland is £12 per case or part case plus V.A.T.

Wines lying at Christie's are available for collection after payment, providing that 24 hours' notice is given. Not less than an entire lot can be collected or delivered to one address.

DELIVERIES FOR OVERSEAS BUYERS

Christie's will arrange delivery to buyers' agents within the U.K. mainland. We work closely with all the major shipping companies and will be happy to advise clients upon the most appropriate shipper if required.

CLASSIFICATIONS

Bordeaux Classifications in the text are for identification purposes only and are based on the official 1855 classification of the Médoc and other standard sources.

All wines are Château-bottled unless stated otherwise.

RELEASE OF LOTS

The issue of Christie's official Delivery Order will constitute delivery.

ULLAGES AND CORKS OF OLD WINES

Wines are described in this catalogue as correctly as can be ascertained at time of going to press, but buyers of old wines must make appropriate allowances for natural variations of ullages, conditions of cases, labels, corks and wine. No returns will be accepted.

ULLAGE

The amount by which level of wine is short of being full: these levels may vary according to age of the wines and, as far as can be ascertained by inspection prior to the sale, are described in the catalogue.

BUYING AT CHRISTIE'S

CONDITIONS OF SALE

Conditions of Sale and Limited Warranty are set out later in this catalogue. Bidders are strongly encouraged to read these as they set out the terms on which property is bought at auction.

ESTIMATES

Based upon prices recently paid at auction for comparable property, and take into account condition, rarity, quality and provenance. Estimates are subject to revision. Buyers should not rely upon estimates as a representation or prediction of actual selling prices. Estimates do not include the buyer's premium or VAT. Where "Estimate on Request" appears, please contact the Specialist Department for further information.

RESERVES

The reserve is the confidential minimum price the consignee will accept and will not exceed the low pre-sale estimate. Lots that are not subject to a reserve are identified by the symbol * next to the lot number.

BUYER'S PREMIUM

Christie's charges a premium to the buyer on the final bid price of each lot sold at the following rates: 2.5% of the final bid price of each lot up to and including £25,000, 20% of the excess of the hammer price above £25,000 and up to and including £500,000 and 12% of the excess of the hammer price above £500,000. Exceptions: Wine and Cigars: 15% of the final bid price of each lot. For all lots, VAT is payable on the premium at the applicable rate.

PRE-AUCTION VIEWING

Pre-auction viewings are open to the public free of charge. Christie's specialists are available to give advice and condition reports at viewings or by appointment.

BIDDER REGISTRATION

Prospective buyers should register for a numbered bidding paddle at least 30 minutes before the auction. New clients, or those who have not made a recent purchase at Christie's, will be asked to supply a bank reference to register. To avoid any delay in the release of purchases, please pre-arrange cheque or credit approval through Christie's Credit Department at +44 (0)20 7389 2862 or +44 (0)20 7389 2996 (London, King Street) or at +44 (0)20 7752 3137 or +44 (0)20 7752 3138 (London, South Kensington).

BIDDING

The auctioneer accepts bids from those present in the saleroom, from telephone bidders, or by absentee written bids left with Christie's in advance of the auction. The auctioneer may also execute bids on behalf of the seller up to the amount of the reserve. The auctioneer will not specifically identify bids placed on behalf of the seller. Under no circumstances will the auctioneer place any bid on behalf of the seller at or above the reserve. Bid steps are shown on the Absentee Bid Form at the back of this catalogue.

ABSENTEE BIDS

Absentee bids are written instructions from prospective buyers directing Christie's to bid on their behalf up to a maximum amount specified for each lot.

Christie's staff will attempt to execute an absentee bid at the lowest possible price taking into account the reserve price. Absentee bids submitted on "no reserve" lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate. The auctioneer may execute absentee bids directly from the rostrum, clearly identifying these as "absentee bids", "book bids", "order bids" or "commission bids". Absentee Bids Forms are available in this catalogue, at any Christie's location, or online at christies.com.

TELEPHONE BIDS

Telephone bids cannot be accepted for lots estimated below £2,000. Arrangements must be confirmed with the Bid Department at least 24 hours prior to the auction at +44 (0)20 7389 2658 (London, King Street) or +44 (0)20 7752 3111 (London, South Kensington).

Arrangements to bid in languages other than English must be made well in advance of the sale date.

Telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent to the recording of their conversation.

SUCCESSFUL BIDS

Christie's South Kensington is not able to notify successful bidders by telephone. While Invoices are sent out by mail after the auction we do not accept responsibility for notifying you of the result of your bid. Buyers are requested to contact us by telephone or in person as soon as possible after the sale to obtain details of the outcome of their bids to avoid incurring unnecessary storage charges. Successful bidders will pay the price of the final bid plus premium plus any applicable VAT.

PAYMENT

Buyers are expected to pay for purchases immediately after the auction. Payment can be made by cash, cheque, sterling bank draft, direct bank transfer in sterling, credit card (Visa/MasterCard), debit cards (e.g. Maestro/Delta) or bank wire transfer. To avoid delivery delays, prospective buyers are encouraged to supply bank references before the auction. It is Christie's Company policy not to make or accept single or multiple payments in cash or cash equivalents of more than £5,000 or the equivalent value in another currency. Cheques and drafts should be made payable to Christie, Manson and Woods Limited (London, King Street) or Christie's South Kensington Ltd. Bank transfers should be made to: Lloyds TSB Bank plc, 72 Lombard Street, London EC3P 3BT. Sort code: 30-00-02. For the account of Christie, Manson and Woods Limited, A/C No. 0935862. Please quote invoice details. Payment by credit card will be subject to a surcharge of 1.5% administrative fee. There is no surcharge for debit card payments.

Payment by credit card will only be accepted up to a limit of £5,000, unless made in person at Christie's London. In the case of 'distance' payments, written instructions, including the cardholder's signature, must be sent to Christie's. Please note that Christie's will not accept payments for purchased Lots from any party other than the buyer, unless otherwise agreed between the buyer and Christie's prior to the sale.

ARTIST'S RESALE RIGHT ("DROIT DE SUITE")

If a lot is affected by this right it will be identified with the symbol λ next to the lot number. The buyer agrees to pay to Christie's an amount equal to the resale royalty and we will pay such amount to the artist's collecting agent. Resale royalty applies where the Hammer Price is 1,000 Euro or more and the amount cannot be more than 12,500 Euro per lot. The amount is calculated as follows:

Royalty For the portion of the Hammer Price (in Euro)

4.00%	up to 50,000
3.00%	between 50,000.01 and 200,000
1.00%	between 200,000.01 and 350,000

EXPORT/IMPORT PERMITS

Buyers should always check whether an export licence is required before exporting. It is the buyer's sole responsibility to obtain any relevant export or import licence. The denial of any licence or any delay in obtaining licences shall neither justify the rescission of any sale nor any delay in making full payment for the lot.

Christie's can advise buyers on the detailed provisions of the export licensing regulations and will submit any necessary export licence applications on request. However, Christie's cannot ensure that a licence will be obtained. Local laws may prohibit the import of some property and/or may prohibit the resale of some property in the country of importation. For more information, please contact Christie's Shipping Department at +44 (0)20 7389 2828 or the Museums, Libraries and Archives Council: Acquisitions, Export and Loans Unit at +44 (0)20 7273 8269/8267.

CONDITIONS OF SALE

These Conditions of Sale and the Important Notices and Explanation of Cataloguing Practice set out the terms governing the legal relationship of Christie's and the seller with the buyer. You should read them carefully before bidding.

1. CHRISTIE'S AS AGENT

Except as otherwise stated Christie's acts as agent for the seller. The contract for the sale of the property is therefore made between the seller and the buyer.

2. CATALOGUE DESCRIPTIONS AND CONDITION

Lots are sold as described and otherwise in the condition they are in at the time of the sale, on the following basis.

(a) Condition

The nature of the lots sold in our auctions is such that they will rarely be in perfect condition, and are likely, due to their nature and age, to show signs of wear and tear, damage, other imperfections, restoration or repair. Any reference to condition in a catalogue entry will not amount to a full description of condition. Condition reports are usually available on request, and will supplement the catalogue description. In describing lots, our staff assess the condition in a manner appropriate to the estimated value of the item and the nature of the auction in which it is included. Any statement as to the physical nature or condition of a lot, in a catalogue, condition report or otherwise, is given honestly and with appropriate care. However, Christie's staff are not professional restorers or trained conservators and accordingly any such statement will not be exhaustive. We therefore recommend that you always view property personally, and, particularly in the case of any items of significant value, that you instruct your own restorer or other professional adviser to report to you in advance of bidding.

(b) Cataloguing Practice

Our cataloguing practice is explained in the Important Notices and Explanation of Cataloguing Practice, which appear after the catalogue entries.

(c) Attribution etc

Any statements made by Christie's about any lot, whether orally or in writing, concerning attribution to, for example, an artist, school, or country of origin, or history or provenance, or any date or period, are expressions of our opinion or belief. Our opinions and beliefs have been formed honestly and in accordance with the standard of care reasonably to be expected of an auction house of Christie's standing, due regard having been had to the estimated value of the item and the nature of the auction in which it is included. It must be clearly understood, however, that, due to the nature of the auction process, we are unable to carry out exhaustive research of the kind undertaken by professional historians and scholars, and also that, as research develops and scholarship and expertise evolve, opinions on these matters may change. We therefore recommend that, particularly in the case of any item of significant value, you seek advice on such matters from your own professional advisers.

(d) Estimates

Estimates of the selling price should not be relied on as a statement that this is the price at which the item

will sell or its value for any other purpose.

(e) Fitness for Purpose

Lots sold are enormously varied in terms of age, category and condition, and may be purchased for a variety of purposes. Unless otherwise specifically agreed, no promise is made that a lot is fit for any particular purpose.

3. AT THE SALE

(a) Refusal of admission

Christie's has the right, at our complete discretion, to refuse admission to the premises or participation in any auction and to reject any bid.

(b) Registration before bidding

Prospective buyers must complete and sign a registration form with his or her name and permanent address, and provide identification before bidding. We may require the production of bank details from which payment will be made or other financial references.

(c) Bidding as principal

When making a bid, a bidder is accepting personal liability to pay the purchase price, including the buyer's premium and all applicable taxes, plus all other applicable charges, unless it has been explicitly agreed in writing with Christie's before the commencement of the sale that the bidder is acting as agent on behalf of an identified third party acceptable to Christie's, and that Christie's will only look to the principal for payment.

(d) Absentee bids

We will use reasonable efforts to carry out written bids delivered to us prior to the sale for the convenience of clients who are not present at the auction in person, by an agent or by telephone. Bids must be placed in the currency of the place of the sale. Please refer to the catalogue for the Absentee Bids Form. If we receive written bids on a particular lot for identical amounts, and at the auction these are the highest bids on the lot, it will be sold to the person whose written bid was received and accepted first. Execution of written bids is a free service undertaken subject to other commitments at the time of the sale and provided that we have exercised reasonable care in the handling of written bids, the volume of goods is such that we cannot accept liability in any individual instance for failing to execute a written bid or for errors and omissions in connection with it arising from circumstances beyond our reasonable control.

(e) Telephone bids

If a prospective buyer makes arrangements with us prior to the commencement of the sale we will use reasonable efforts to contact them to enable them to participate in the bidding by telephone but we do not accept liability for failure to do so or for errors and omissions in connection with telephone bidding arising from circumstances beyond our reasonable control.

(f) Currency converter

At some auctions a currency converter may be operated. Errors may occur in the operation of the currency converter. Where these arise from circumstances beyond our reasonable control we do not accept liability to bidders who follow the currency converter rather than the actual bidding in the saleroom.

(g) Video or digital images

At some auctions there may be a video or digital screen. Errors may occur in its operation and in the quality of the image. We do not accept liability for such errors where they arise for reasons beyond our reasonable control.

(h) Reserves

Unless otherwise indicated, all lots are offered subject to a reserve, which is the confidential minimum price below which the lot will not be sold. The reserve will not exceed the low estimate printed in the catalogue. If any lots are not subject to a reserve, they will be identified with the symbol • next to the lot number. The auctioneer may open the bidding on any lot below the reserve by placing a bid on behalf of the seller. The auctioneer may continue to bid on behalf of the seller up to the amount of the reserve, either by placing consecutive bids or by placing bids in response to other bidders.

(i) Auctioneer's discretion

The auctioneer has the right to exercise reasonable discretion in refusing any bid, advancing the bidding in such a manner as he may decide, withdrawing or dividing any lot, combining any two or more lots and, in the case of error or dispute, and whether during or after the sale, determining the successful bidder, continuing the bidding, cancelling the sale or reoffering and reselling the item in dispute. If any dispute arises after the sale, then, in the absence of any evidence to the contrary the sale record maintained by the auctioneer will be conclusive.

(j) Successful bid and passing of risk

Subject to the auctioneer's reasonable discretion, the highest bidder accepted by the auctioneer will be the buyer and the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer. Risk and responsibility for the lot (including frames or glass where relevant) passes to the buyer at the expiration of seven calendar days from the date of the sale or on collection by the buyer if earlier.

4. AFTER THE SALE

(a) Buyer's premium

In addition to the hammer price, the buyer agrees to pay to us the buyer's premium together with any applicable value added tax. The buyer's premium is 25% of the final bid price of each lot up to and including £25,000, 20% of the excess of the hammer price above £25,000 and up to and including £500,000 and 12% of the excess of the hammer price above £500,000.

(b) Artist's Resale Right ("Droit de Suite")

If the Artist's Resale Right Regulations 2006 apply to the lot the buyer also agrees to pay to us an amount equal to the resale royalty provided for in those Regulations and we undertake to the buyer to pay such amount to the artist's collection agent. Lots affected are identified with the symbol λ next to the lot number.

(c) Payment and ownership

The buyer must pay the full amount due (comprising the hammer price, buyer's premium and any applicable taxes or resale royalty) immediately after the sale. This applies even if the buyer wishes to export the lot and an export licence is, or may be, required. The buyer will not acquire title to the lot until all amounts

due to us from the buyer have been received by us in good cleared funds even in circumstances where we have released the lot to the buyer.

(d) Collection of purchases

We shall be entitled to retain items sold until all amounts due to us, or to Christie's International plc, or to any of its affiliates, subsidiaries or parent companies worldwide, have been received in full in good cleared funds or until the buyer has performed any other outstanding obligations. Subject to this, the buyer shall collect purchased lots within two calendar days from the date of the sale unless otherwise agreed between us and the buyer.

(e) Packing, handling and shipping

Although we shall use reasonable efforts to take care when handling, packing and shipping a purchased lot and in selecting third parties for these purposes, we are not responsible for the acts or omissions of any such third parties. Similarly, where we suggest other handlers, packers or carriers if so requested, our suggestions are made on the basis of our general experience of such parties in the past and we are not responsible to any person to whom we have made a recommendation for the acts or omissions of the third party concerned.

(f) Export licence

Unless otherwise agreed by us in writing, the fact that the buyer wishes to apply for an export licence does not affect his or her obligation to make payment immediately after the sale nor our right to charge interest or storage charges on late payment. If the buyer requests us to apply for an export licence on his or her behalf, we shall be entitled to make a charge for this service. We shall not be obliged to rescind a sale nor to refund any interest or other expenses incurred by the buyer where payment is made by the buyer in circumstances where an export licence is required.

(g) Remedies for non payment

If the buyer fails to make payment in full in good cleared funds within 7 days after the sale, we shall have the right to exercise a number of legal rights and remedies. These include, but are not limited to, the following:

- (i) to charge interest at an annual rate equal to 5% above the base rate of Lloyds TSB Bank Plc;
- (ii) to hold the defaulting buyer liable for the total amount due and to commence legal proceedings for its recovery together with interest, legal fees and costs to the fullest extent permitted under applicable law;
- (iii) to cancel the sale;
- (iv) to resell the property publicly or privately on such terms as we shall think fit;
- (v) to pay the seller an amount up to the net proceeds payable in respect of the amount bid by the defaulting buyer;
- (vi) to set off against any amounts which we, or Christie's International plc, or any of its affiliates, subsidiaries or parent companies worldwide, may owe the buyer in any other transactions, the outstanding amount remaining unpaid by the buyer;
- (vii) where several amounts are owed by the buyer to us, or to Christie's International plc, or to any of its affiliates, subsidiaries or parent companies worldwide, in respect of different transactions, to apply any amount paid to discharge any amount owed in respect of any particular

- transaction, whether or not the buyer so directs;
- (viii) to reject at any future auction any bids made by or on behalf of the buyer or to obtain a deposit from the buyer before accepting any bids;
 - (ix) to exercise all the rights and remedies of a person holding security over any property in our possession owned by the buyer, whether by way of pledge, security interest or in any other way, to the fullest extent permitted by the law of the place where such property is located. The buyer will be deemed to have granted such security to us and we may retain such property as collateral security for such buyer's obligations to us;
 - (x) to take such other action as we deem necessary or appropriate.

If we resell the property under paragraph (iv) above, the defaulting buyer shall be liable for payment of any deficiency between the total amount originally due to us and the price obtained upon resale as well as for all reasonable costs, expenses, damages, legal fees and commissions and premiums of whatever kind associated with both sales or otherwise arising from the default. If we pay any amount to the seller under paragraph (v) above, the buyer acknowledges that Christie's shall have all of the rights of the seller, however arising, to pursue the buyer for such amount.

(h) Failure to collect purchases

Where purchases are not collected within two calendar days from the date of the sale, whether or not payment has been made, we shall be permitted to remove the property to a third party warehouse at the buyer's expense, and only release the items after payment in full has been made of removal, storage, handling, and any other costs reasonably incurred, together with payment of all other amounts due to us.

(i) Selling Property at Christie's

In addition to expenses such as transport, all consignors pay a commission according to a fixed scale of charges based upon the value of the property sold by the consignor at Christie's in a calendar year. Commissions are charged on a sale by sale basis.

5. LIMITED WARRANTY

In addition to Christie's liability to buyers set out in clause 2 of these Conditions, but subject to the terms and conditions of this paragraph, Christie's warrants for a period of five years from the date of the sale that any property described in headings printed in UPPER CASE TYPE (i.e. headings having all capital-letter type) in this catalogue (as such description may be amended by any saleroom notice or announcement) which is stated without qualification to be the work of a named author or authorship, is authentic and not a forgery. The term "author" or "authorship" refers to the creator of the property or to the period, culture, source or origin, as the case may be, with which the creation of such property is identified in the UPPER CASE description of the property in this catalogue. Only UPPER CASE TYPE headings of lots in this catalogue indicate what is being warranted by Christie's. Christie's warranty does not apply to supplemental material which appears below the UPPER CASE TYPE headings of each lot and Christie's is not responsible for any errors or omissions in such material. The terms used in the headings are further explained in Important Notices and Explanation of Cataloguing Practice. The warranty does not apply to

any heading which is stated to represent a qualified opinion. The warranty is subject to the following:

- (i) It does not apply where (a) the catalogue description or saleroom notice corresponded to the generally accepted opinion of scholars or experts at the date of the sale or fairly indicated that there was a conflict of opinions; or (b) correct identification of a lot can be demonstrated only by means of either a scientific process not generally accepted for use until after publication of the catalogue or a process which at the date of publication of the catalogue was unreasonably expensive or impractical or likely to have caused damage to the property.
- (ii) The benefits of the warranty are not assignable and shall apply only to the original buyer of the lot as shown on the invoice originally issued by Christie's when the lot was sold at auction.
- (iii) The original buyer must have remained the owner of the lot without disposing of any interest in it to any third party.
- (iv) The buyer's sole and exclusive remedy against Christie's and the seller, in place of any other remedy which might be available, is the cancellation of the sale and the refund of the original purchase price paid for the lot. Neither Christie's nor the seller will be liable for any special, incidental or consequential damages including, without limitation, loss of profits nor for interest.
- (v) The buyer must give written notice of claim to us within five years from the date of the auction. It is Christie's general policy, and Christie's shall have the right, to require the buyer to obtain the written opinions of two recognised experts in the field, mutually acceptable to Christie's and the buyer, before Christie's decides whether or not to cancel the sale under the warranty.
- (vi) The buyer must return the lot to the Christie's saleroom at which it was purchased in the same condition as at the time of the sale.

6. COPYRIGHT

The copyright in all images, illustrations and written material produced by or for Christie's relating to a lot including the contents of this catalogue, is and shall remain at all times the property of Christie's and shall not be used by the buyer, nor by anyone else, without our prior written consent. Christie's and the seller make no representation or warranty that the buyer of a property will acquire any copyright or other reproduction rights in it.

7. SEVERABILITY

If any part of these Conditions of Sale is found by any court to be invalid, illegal or unenforceable, that part shall be discounted and the rest of the conditions shall continue to be valid to the fullest extent permitted by law.

8. LAW AND JURISDICTION

The rights and obligations of the parties with respect to these Conditions of Sale, the conduct of the auction and any matters connected with any of the foregoing shall be governed and interpreted by the laws of England. By bidding at auction, whether present in person or by agent, by written bid, telephone or other means, the buyer shall be deemed to have submitted, for the benefit of Christie's, to the exclusive jurisdiction of the courts of the United Kingdom.

ADDITIONAL CONDITIONS OF SALE RELATING TO WINE & CIGARS

1. BUYER'S PREMIUM

The buyer's premium for Wine and Cigars is 15% of the final bid price. For all lots VAT is payable on the premium at the applicable rate.

2. PAYMENT

Further to Condition 4:

the purchase price is exclusive of, and the buyer shall be responsible for;

- (i) any charge for storage from the date of the auction; and
- (ii) any charge for subsequent packing or carriage.

3. COLLECTION OF PURCHASES

Marqués de Riscal

In celebration of 150 years of Marqués de Riscal wines, Christie's are proud to offer a Super Vintage Weekend in conjunction with The Luxury Collection Hotels & Resorts, culminating in the sale of a unique superlot.

This unforgettable weekend stay on 24-26 October 2008 will be at the unique Frank Gehry-designed hotel, Hotel Marqués de Riscal, Elciego, Rioja

Includes:

Three days of gastronomic delight, prepared by Michelin-starred Chef Francis Paniego, accompanied by an extraordinary range of Riscal wines.

Specialist talks on wine and the region including the opportunity to visit vineyards and the historic Riscal cellars, plus alternative lectures on regional art, design and architecture. Tempting also are unique spa treatments at the hotel's own Caudalie Vinothérapie Spa. The climax of the weekend will be a Gala Dinner and Charity Auction of rare

Riscal wines conducted by Christie's, including the Riscal Superlot - a single lot consisting of 131 vintages of Riscal back to 1860 - one bottle from every available vintage, released directly to the buyer from the historic wine library of Marqués de Riscal - the world's largest vertical wine collection ever released by a winery. Proceeds will be donated to UNICEF.

For further details on the Charity Sale and Superlot, please contact Tim Triptree on +44 (0)20 7752 3012, ttriptree@christies.com

T. chargeable on the final bid and such premium) —Additional Conditions of Sale.

Lots will be bought below the specified maximum whenever possible.

V.A.T. will be added to invoices where applicable.

All bids shall be treated as offers made on the Notes and Conditions of Sale printed in the catalogue.

Christie's South Kensington is not able to notify successful bidders by telephone. While Invoices are sent out by mail after the auction we do not accept responsibility for notifying you of the result of your bid. Buyers are requested to contact us by telephone or in person as soon as possible after the sale to obtain details of the outcome of their bids to avoid incurring unnecessary storage charges.

To ensure that bids will be accepted and that delivery of Lots is not delayed, intending buyers should supply bank or other suitable references to Christie's.

The references should be supplied in good time to be taken up before the sale.

There is a Buyer's Premium of 15% on Wine sales at Christie's. The estimates in this catalogue are the approximate prices we expect to be realised. They are not definitive. They are prepared well in advance of the sale and are subject to revision in the light of unforeseen market changes.

Absentee bids must be received at least 24 hours before the auction begins.
