« The exceptional prices achieved for the finest jewels reflect the current strength of the art market. Unique, signed, Art Deco pieces with the strongest designs far exceeded their pre-sale estimates. Equally, the finest untreated coloured gemstones and top quality diamonds continue to be the stars of the sale. Combined with St Moritz, this brings our sold total for the first half in Switzerland to SFr.50,951,320.» **said Eric Valdieu Vice-President and Director of the Jewellery Department and in Geneva**
