Comment: Brandon Lindberg, Associate Director and Head of Sale: "Today's sale saw Christie's confirm market share in the Sporting Art field. Very strong prices were achieved for pictures from all periods, and we are particularly pleased with the price realised for the superb J.F. Herring Senior of *Feeding the Horse*. A wide spectrum of international buyers participated in the auction, both in the room, telephones, and online. We look forward to our sale of *Sporting Art* to be held in New York on 3 December."
