**Ginette Lospinoso, Head of Department, comments:** "Today's sale was another strong showing for the *Interiors* category, with private and trade buyers actively competing for top-quality furnishings and decorative works of arts from private collections and estates. Chinese works of art yielded the day's top prices, with numerous bidders competing for items from the Arthur M. Sackler Collections and the Collection of Mr. and Mrs. Paul E. Manheim. Fine art also performed well, with the Canadian artist Jack Bush, Israeli artist Menashe Kadishman, and American artists Fritz Scholder and Larry Poons drawing top prices in the category. We now look forward to our next sale on December 16 & 17, which will include a special section of jewelry in addition to furniture, fine art and decorative items."
