“The diamond market continues to show remarkable strength despite the volatility of the financial world. Just two weeks after a very strong sale of jewels at Christie's Hong Kong - where a 5 ct pink diamond went for \$10.8 million - the exceptional Evening Star Golconda diamond of 39 cts sold at Christie's New York for \$5.4 million. It was a fitting grand finale to a year that saw over \$100 million in jewels change hands under our gavels in the U.S.,” said **Rahul Kadakia, Head of Jewelry at Christie's New York.**
