Peter Brown: Senior Director & International Department Head of Victorian & British Impressionist Pictures and Harriet Drummond, Senior Director & International Department Head of British Drawings and Watercolours: "Following the record-breaking July sale of 'Important Victorian & British Impressionist Art' we are pleased with the strong results achieved in this December sale which saw further competitive international bidding in the room, on the phones, and via Christie's Live™. Many of the top ten lots of the auction exceeded their pre-sale estimates, indicating the continued interest in works by the most celebrated Victorian and Pre-Raphaelite masters. We are particularly pleased with the excellent prices achieved for British works on paper. We look forward to the next King Street sale of 'Victorian & British Impressionist Art' on 17 June 2014."
