Rahul Kadakia, International Head of Christie's Jewelry, commented: “Colored diamonds continued their fabulous run at Christie's spring auction season, with multiple phone lines bidding enthusiastically on the vivid pink. With the sale of *THE WINSTON BLUE*, *The Ocean Dream*, and the *Oval Vivid Pink*, Christie's achieved \$42m for these three exceptional diamonds alone. We look ahead now to staging an exciting fall season beginning in October at Christie's New York.”
