Sarah de Clercq, Head of Old Masters and 19th Century Art department, Amsterdam comments: "We are very pleased with the results of the Old Masters and 19th Century Art sale. Leading the sale was Dutch Impressionist Isaac Israels, whose Parrotman fetched €289,500. Further highlights in the 19th Century Art section were the Dutch Romantics that attracted great international interest. Paintings from the Dutch Golden Age fetched strong prices and underscore the strength of this market in the Netherlands. Bidders and buyers from 21 countries participated in this week's sale. We now look forward to our next sale of Old Masters and 19th Century Art on 25 and 26 November 2014."
