CHRISTIE'S LEADS THE ASIAN WATCHES AUCTION MARKET IN 2020

STRONG RESULTS FROM 2020 AUTUMN AUCTION

The Important Watches live auction, led by the Patek Philippe "Ruby Series", was held on 28 November 2020 at the Hong Kong Convention and Exhibition Centre. The sale yielded strong results, with several records set for Patek Philippe references 3448, 5103, 1518, 5063, 2526, and 6104. The sale results demonstrate Christie's continued leadership in offering timepieces by the watchmaker at auction, following the record-setting sale of "The Titanium Collection" in July. Furthermore, all F.P. Journe wristwatches were sold, while 27% of all lots surpassed their pre-sale high estimates. This strong momentum looks to continue into the spring auction season next May, where Christie's will offer the monumental Patek Philippe Ref. 3448 "Alan Banbery" wristwatch as a leading highlight.
