COMMENT: "Today's landmark sale of Georg Jensen silver was an overwhelming success and a fabulous crowning of the firm's 100 anniversary," said Jeanne Sloane, Head of Christie's Silver Department. "This remarkable and extensive single-owner collection, the first ever auction of its kind, generated tremendous interest with an outpouring of bidding activity throughout today's sale. Collectors worldwide recognized that this sale was an extremely rare event and took full advantage of this opportunity to acquire key pieces from the legendary Jensen firm. The sale nearly tripled its pre-sale estimate and reached new price levels for several classic Jensen forms."
