Anglo-Indian games table					

Comment: Nic McElhatton, Specialist and head of department:

“A busy room with a long bank of telephones, and an auctioneer's book bristling with commissions ensured that this first selected sale of the season of furniture and works of art at Christie's South Kensington was a great success. Prices were strong across all price points, with carpets, continental and English pieces all appealing to eager buyers looking to acquire good value and quality furniture and objects.”
