### Comment: Andrew McVinish, Head of Sunday Sales, Christie's South Kensington:

“The first in the new series of Sunday sales dedicated to home furnishing proved extremely successful. Weekends have become our most important viewing time and this weekend was one of the busiest yet. Clearly the market is responding well to our initiatives and well over 1,500 client, including hundreds of new faces, came through our doors over the weekend with an absolutely packed saleroom on Sunday. With prices starting at just £50 and many lots offered without reserve, the strong results reflect the revived interest in good value traditional antiques and Christie's South Kensington's position at the forefront of this market.”
