“Today’s sale saw an excellent start to 2007. From Roman antique sculpture, 1st century A.D., to traditional English and Continental 18th /19th century furniture and contemporary interior design pieces by Chester Jones, *circa* 1999, the sale showed the strength of the current market for high quality decorative furnishings. We are particularly pleased with the top lot of today’s sale, a pair of Italian white marble pedestals incorporating Roman elements from the Chester Jones designed interiors at Culham Court, which tripled their pre-sale estimate and sold for £90,000,” said **Rosie Munro and Rufus Bird, Specialists in charge of the sale.**
