"This first auction ever of Contemporary Jewels and Watches in Dubai was a resounding success with 90% of the jewels finding a buyer. The sale was an exciting international event with buyers participating from Europe, America, and Southeast Asia in addition to a strong Middle Eastern and Russian presence. Highly competitive bidding resulted in strong prices for high quality diamonds and unique watches. The jewels by the eight contemporary jewellers were eagerly sought after.", said David Warren, Head of Sale, in collaboration with Jewellery specialist John Souglides, and Watch specialist Tim Bourne.
