COMMENT: Margot Rosenberg and Robert Manley, co-specialists for the sale commented, "It was gratifying to see a packed saleroom with active bidding from around the world for this ground-breaking sale, the first of its kind at a major auction house. We are pleased that nearly 80% of the works sold, a demonstration of the strength in all aspects of this diverse market. Today we established world auction records for numerous artists and the prices realized reinforced the strength of the primary self-taught and outsider market."
