Comment: Philip Kantor, Christie's International Motor Car European Specialist: "We are delighted with the results of tonight's sale at this prestigious European venue, Rétromobile Paris. The highlight of this extremely well attended sale was the Bugatti T55, which sold for a world record price for the model at auction of €1,680,250. In addition to the four top lots selling, the cars from the Estate of the Late Alfred H. Heineken achieved superb results due their fine provenance. The collection totalled €771,300, far exceeding pre-sale expectations."
