Comment: Joy McCall, Specialist Head of British Decorative Arts:

“The inaugural Sunday sale at Christie’s South Kensington saw a packed saleroom and enthusiastic participation throughout the room. We are particularly delighted with the result of the Appliqué Orange Lucerne sandwich set, which performed above expectation. The highly publicised Latona Dahlia charger realised a pleasing £1,920, against an estimate of £1,000 – 1,500, having been recently purchased by the vendor for £1 at a car-boot sale. We are now looking forward to our next specialist Clarice Cliff sale, which will take place on 19th October.”

The next Sunday Sale at Christie’s South Kensington is The Book Sale on Sunday 27 February
