Comment: “The Old Master and Nineteenth Century Paintings and Drawings section of the Yves Saint Laurent and Pierre Bergé sale set six new world auction records. The works of art offered, which ranged over four centuries, from the early 16th Century to the early 20th Century, mirrored this unique collection's breadth and exceptional diversity. Each of the twenty-four works that were sold today had exceptional provenance and an impressive art historical pedigree; thus attracting very active bidding from top international collectors and connoisseurs”, commented Cécile Bernard, Ketty Gottardo and Etienne Hellman, specialists in charge of the sale.
