€2,574,504

COMMENT: Aviva Itzkowitz, Specialist Head of the Sale:

“This excellent sale result is testament to the fact that the market warmly receives and will aggressively battle for works by a wide range of American masters. Today, this enthusiasm stretched across all sectors of the auction, from the Hudson River School to 20th century modernism – with a particular emphasis on rare works sourced from private collections and being offered fresh to the market.”
