### COMMENT: Aviva Itzkowitz, Specialist Head of the Sale:

“We are delighted with the robust results from today's sale, with excellent prices achieved across the board. We saw particular strength for Hudson River paintings, many of which came from an important private collection in Minnesota. The auction set five new world auction records for Hugh Bolton Jones, Louis Comfort Tiffany, Malvina Hoffman, Henry Rittenberg and Irene Rice Pereira – as well as a works on paper record for American Impressionist painter Walter Launt Palmer.”
