SHOP TILL YOU DROP AT CHRISTIE'S

The First CSK At Home Week

Sunday 13 April – Thursday 17 April

South Kensington, London – CSK At Home is a radical new home furnishing shopping concept devised, conceived and created by Christie's South Kensington, winner of the Best London Auction House, British Antiques and Collectables Awards 2002. Launching in April, CSK At Home is aimed at private buyers who simply do not have the time to attend auctions or remain unsure about how to shop at auction. CSK At Home aims to demystify the auction experience and bring the enticing, rewarding world of auction buying to a wider audience.

CSK At Home brings all the main home furnishing categories – including furniture, objects, pictures, carpets, ceramics and silver – under one roof during one week, allowing private buyers to view, enquire and leave bids on over 1,500 lots in one simple visit. New concepts created to provide a welcoming, accessible and informal atmosphere within the auction rooms include extended opening hours on Monday evening and newly-designed catalogues packed with information to help ease new buyers into the auction process. Auctioneers and specialists will be available throughout the week to provide hands-on assistance and professional advice.

New buyers will also be able to take full advantage of www.christies.com, where all the week's lots can be viewed along with full catalogue descriptions. Clients can also leave absentee bids online.
