“We are thrilled with the results of the March House Sale, the first sale since the Today Show aired, and since the first targeted email campaign. The resounding success was demonstrated by; a total figure above the pre-sale high estimate, 7 world records for paintings, sold out catalogues, extensive international bidding, packed phone banks with 320 different clients bidding throughout the sale on the phone, nearly 1000 LIVE bids were taken, and 31% of the sale was bought or directly underbid by a LIVE bidder.” Said **Stefan Kist, Head of House Sales**
