South Kensington – The first of South Kensington's bi-annual Vintage Travel and Shipping Poster sales will be happening this May, offering a tantalizing selection of vintage posters. Featuring long forgotten holiday destinations, favourite old-time cruiseships and railways, and many vintage advertising posters, both the view and auction itself offer the perfect trip down memory lane. There are around 300 lots in the sale, including some 50 shipping posters, a selection of stunning Roger Broders travel posters and a single owner collection of 20 Terence Cuneo railway posters consigned directly from the Cuneo family. Estimates range from £300 to £7,000 and most lots under £1,000.
