COMMENT: Richard Brierley, Head of North American Wine Sales: "An excellent start for 2005, with stunning sold percentages. Competition for the top three lots was fierce, reflecting the continuing attraction for wines offered in immaculate condition and stored in their original wooden cases since original purchase. Outside the top ten, we were happy to note a return in the strength of the Californian market, along with the Bordeaux 1982s regularly exceeding pre-sale expectations."
