“Once again the successful campaign by our press office brought tremendous publicity and new buyers to the sale room, resulting in very high prices for pristine boxed sets of iconic figures from the 1950s. Even made of plastic, Dan Dare and crew made the top price in the sale, followed by excellent prices for many of the more traditional lead figures, proving the wisdom of Mike William’s choices when collecting. On the same theme, our next sale on June 5 features 100 lots of fine robots and space toys.”
