Comment: Toby Woolley, Specialist in charge of the sale:

“South Kensington played host to a diverse and decorative assembly in our second select Furniture, Works of Art and Carpets sale of 2006. A busy room and auctioneers book saw selling to an increasingly international audience. Traditional pieces of late Georgian and Regency furniture encouraged highly competitive bidding between trade and private bidders. Grand Tour sculpture and a private collection of chess sets also sold well. We look forward to our sale of The Hermitage Antiques Collection on 4th April.”
