Comment: Gower Williams and Anthony McNerney, specialists in charge of the sale said: "We are delighted with the result of today's sale which saw strong bidding across the broad spectrum of art offered. We are particularly pleased with the result for the Zao Wou-Ki which once again demonstrates Christie's South Kensington's ability to market and sell high quality art worldwide. We are both looking forward to a similar success in tomorrow's sale of Impressionist and Modern Art."
