Joshua Holdeman, Specialist in charge of the sale comments, "We are delighted to kick off the sale of the Berman Collection of Photographs with a white glove, 100% sold sale of work by Diane Arbus. This result underscores not only the significance of the Berman name in the world of photographic collecting, but also confirms Arbus' place as one of the important artists of the 20th century. We eagerly anticipate the sale of works by William Eggleston, also from the Berman Collection this October."
