**COMMENT:** Philippe Garner & Joshua Holdeman, International Directors of the Photographs Department: "Christie's is once again thrilled to have achieved such a high total and high percentage of lots sold. We are delighted to have reset our own world record for Irving Penn with *Harlequin Dress, 1950*. We were equally thrilled to have the opportunity to handle a portion of the *Refco Collection of Contemporary Photography* - this initial offering of Refco material totaled over \$1.9 million this morning and contained many desirable works that were not only fresh to the market but also clearly in demand. We now look forward to our Fall sales with great anticipation and excitement."
