      €3,847,031

**COMMENT:** Joshua Holdeman, International Director and Head of the Photographs Department: "It was thrilling to witness the intense display of competitive bidding for objects of high quality. We were exhilarated by the level of healthy activity both in the room and from abroad illustrating the further expansion of this market - and we look forward to our May 18 sales in London and to the Fall season, both in London and New York."
