Comment: Rufus Bird, Specialist in charge of the sale: "Robust results were seen across all collecting categories. Various collections including the first part of The Aykroyd Collection and Property from a Belgravia Residence achieved strong prices. Particularly notable was the price achieved for Lot 6, the William and Mary walnut card-table, formerly in the collection of Percival Griffiths and last sold at Christie's on 10 May 1939. This sale continues the upward trend for this year."
