Comment: Tudor Davies, Head of Prints and Multiples at Christie's New York: "Today's sale saw solid, international bidding across all areas, reflecting the strength and depth of the Prints and Multiples market. The extraordinary price of \$623,400 realized by Jasper Johns' *Flags I* is a new record for a single print by the artist at auction. The artists' books area was particularly robust with major interest from the trade in both the US and Europe."
