### COMMENT: Kelly Troester, Specialist Head of the Print Department:

“This Spring 2005 auction saw the highest total ever for a Christie's Print sale. Overwhelming American private interest in the room and on the telephones competed and regularly beat trade bidders, with top prices paid for tried and tested names and iconic images. Our 2005 New York Print sales total now stands at over \$14 million, and we look forward to our next Christie's Rockefeller sale on September 23.”
