### Comment: Fiona Baker, Specialist in charge of the sale:

"Today's saleroom was packed to standing room only, with buyers from the UK and continental Europe, Japan, USA and South Africa. Bidding was fierce for the varied cross-section of Lalique on offer; from ashtrays, scent bottles and paperweights to plates, bowls, glasses. The private collection of car mascots attracted particular attention and a significant amount of clients new to Christie's. My thanks go to Rupert Banner, and the South Kensington Decorative Arts team, and we look forward to our next Lalique sale on 2<sup>nd</sup> November 2006."
