### Comment: Jane Turner, Director and Specialist in Charge of the sale:

“Historical scenes during the age of sail saw exceptionally strong bidding creating an exciting and highly successful sale. Montague Dawson proved popular once again with the top lot of the sale (lot 617) more than doubling its pre-sale high estimate. The continued and significant interest in Maritime Pictures and Models saw an overall combined sales total in excess of £1.3 million for the two sales. We look forward to our next Maritime sale on 15<sup>th</sup> November 2006.”
