### Comment: Charles Miller, Specialist in Charge of the sale:

“There was a very strong performance in the room today, especially from the models and historical objects. The sale total was enhanced by significant private sales, including two large Prisoner of War models at £37,050 each, which provided a overall sale total figure of £433,041 (91% by value). We look forward to our next Maritime sale on 15<sup>th</sup> November 2006.”
