Ms. Ruoh-Ling Keong, Vice President & Head of the Southeast Asian Modern & Contemporary Art, Christie's said: "We were thrilled to kick off Christie's spring sales with such powerful results. With enthusiastic

bidding and records established across the SEA category, Modern masters including Le Pho (Vietnam), Hendra Gunawan (Indonesia) and contemporary masters including Masiadi (Indonesia) and Geraldine Javier (Philippines) complemented each other brilliantly. Since 2002 we have refined and expanded our presentation of this important category and our clients have come to appreciate our vision and commitment to SEA as well as our introducing them to previously overlooked talents from the region, including Fx Harsono (Indonesia) and Haris Purnomo (Indonesia). Our strategy of presenting top quality works from across the region in an exquisitely designed venue with impressively researched and designed catalogues has resulted in an electric saleroom today. ”
