COMMENT: **Ruoh-Ling Keong**, Vice President and Head of Christie's Southeast Asian Pictures Department, said: "This is the highest total ever achieved in this category anywhere in the world, testifying to our leadership in this market. We are delighted to see clients who especially travelled to Hong Kong from overseas to celebrate the 20th anniversary of Christie's Hong Kong with us and participate in a spectacular Modern and Contemporary Southeast Asian Art sale. Exceptional world auction records for Bali based traveller artist Adrien-Jean Le Mayeur de Merprès and pioneer Indonesian artist S. Sudjojono were established in this sale.

We were thrilled to witness strong buying activity in a packed saleroom, encouraged by many new buyers from Hong Kong, US and Europe, with the increasing presence of mainland Chinese and Taiwanese collectors. We look forward to the further expansion of the market within Southeast Asia and beyond, as it steadily advances into a broader international arena."
