Comment: Gregg Dietrich, Head of the Christie's Ocean Liner sale:

"We are delighted with today's results, especially with the prices achieved for *Titanic* memorabilia. The interest in the *Titanic* bronze lifeboat plaques illustrate the continuing allure of this infamous maritime tragedy – and we were happy to see both lots reach or exceed our highest pre-sale expectations. Elsewhere in the sale, posters, ship models and decorative arts performed admirably, and Christie's is proud to continue its leadership of the Ocean Liner and *Titanic* memorabilia market."
