Comment: Sophie Churcher, Specialist in Charge of Sale said:

“A packed sale room and busy telephone lines ensured competitive bidding for some rare and exceptional posters today. We are particularly pleased with the strong results achieved for posters designed by two of the most masterful poster designers; *Henri de Toulouse-Lautrec* and *Alphonse Mucha*. The high demand for the collection of posters of Monaco and Le Mans demonstrated the growing appeal dynamic vintage motoring posters. The sale ended on a high note with some exceptional results for the increasingly popular *Roger Broders*. We look forward to our next Travel and Vintage Poster sale on 10 September 2008.”
