COMMENT: Philippe Garner, International Head of 20th Century Decorative Art & Design and Joshua Holdeman, Head of 20th Century Decorative Art & Design Department, New York: "Only four days after the record-shattering sale of the Dray Collection in Paris, we are delighted with a solid various-owner sale result in New York. Bidding was energetic and competitive throughout all areas of the auction and across all sectors of our market. We now look forward to our December sales with great anticipation and continued success."
