Comment: Andrew Waters and Orlando Rock, Directors of House Sales, Christie's London:

"This historic and unparalleled sale generated extraordinary interest from around the world and the results are a wonderful testament to the style and glamour of one of the world's most beautiful Princesses. The combination of impeccable Royal provenance and the glamour of H.R.H. The Princess Margaret saw many pieces fetch prices well above their estimates as buyers fought for their own piece of royal history. Unique world record prices were achieved throughout the sale from Princess Margaret's 1960s umbrellas to her Disney breakfast set, bringing the combined sale total over the two days to **£13,658,728 (\$25,104,742).**"
