COMMENT: Raymond Sancroft-Baker, Senior European Director of Jewellery:

"We are delighted to have sold 90% by value and prove that the jewellery market is still strong for quality items. There was a noticeable increase in private buyers who dominated the saleroom and purchased many of the larger diamond rings. The impressive results achieved at sales in New York, Geneva and Paris has continued in London and we look forward to our sales in Hong Kong on the 7-8 July and our autumn season of sales."
