Comment: Desmond Healey, Director and Head of Department:

"Today's superb sale achieved an outstanding result for what was one of the last and finest private collections of Chinese monochrome porcelains. Professor Hall built up the collection over a 50-year period and the result of today's auction is a testament to his exceptional taste and knowledge. In front of a packed saleroom, bidders from all over the world competed on the phone and in the room for a range of pieces of exceptional quality. We look forward to tomorrow's sale of Chinese Ceramics and Works of Art."
