**COMMENT:** Adrienne Hines, Head of Watch Department at Christie's New York and Tim Bourne, International Co-Head of the Watch Department:

“An exceptional result was achieved today at Christie's, with energetic and determined bidding from the phones and the room producing top prices for a wide selection of important watches – with many exceeding their pre-sale high estimates. Topping off a thrilling series of Spring watch auctions at Christie's locations worldwide, this sale produced the highest sale total to date for any watch auction held in the United States in 2005.”
