Comment: Jay Vincze, Head of Sale: "Following on from the success of yesterday's evening sale, we were thrilled with today's strong results, the highest ever total for this category at Christie's London. Competitive bidding was seen across the board for good quality works whether Impressionist, Post-Impressionist, Avant-Garde or Modernist. We were particularly pleased with the prices achieved for Pierre-Auguste Renoir, Henri Martin and Alexandra Exter as well as with the success of the collection of Post-Impressionist and early 20th century ceramics."
