Comment: Conor Jordan and Jay Vincze, Directors, Impressionist and Modern Art, Christie's

"This was a good, solid result and the market remains strong for works in the Day sale of top quality and rarity. We saw continued activity from private buyers which are reflected in these results. Continuing on from the successes already achieved this week for works by the artist, Kees van Dongen, the paintings in today's sale sold particularly well. We look forward to the sale of Works on Paper tomorrow and to the start of our Post-War and Contemporary auctions."
