Comment: Gregg Dietrich, Head of Sale for Ocean Liner: "Overall, a good result for our annual Ocean Liner auction here at Christie's. Once again, R.M.S. *Titanic* memorabilia, led by the \$68,500 life preserver sold by a Nova Scotia family after 96 years of ownership, remains a consistent cornerstone of the market, particularly when offered fresh to international collectors. Beyond the *Titanic* section, we were encouraged by the performance of U.S. Lines material, especially for the Leviathan poster that sold for a remarkable \$37,500, and memorabilia relating to the S.S. *Normandie*, with three out of the top ten connected to this celebrated ocean liner."
