Comment: Yuka Yamji, Head of Photographs, Christie's London

“Today's sale appealed to both new collectors and trade alike looking to acquire highly collectible photographs at good value prices. We are particularly pleased with the price achieved for Angus McBean (lot 1584), one of Britain's most significant portrait photographers who will be celebrated in an upcoming exhibition at the National Portrait Gallery in London. We look forward to our next sales of Photographs at King Street on 15 November and South Kensington on 29 November.”
