Comment: William Porter, Specialist in charge of the sale:

“Once again, good quality works fresh to the market from private collections performed well as demonstrated by the top 3 works sold today. We are extremely pleased with the price of £27,600 achieved for the top lot (lot 380) by the Boyle Family which established a new world auction for the artist. It was gratifying to see strong results achieved for artists appearing at auction for the first time, notably the studio collection of Kalman Kemeny (lots 135-193) which totalled £36,084.”
